All State Team Selection:

The number of region scores used in the All State Selection process needs to be uniform across the state. The number of matches to be turned in to the Utah PGA to use in the All State Team selection process is: Turn in 8 Scores. 6 scores will be counted. (**These matches should have been declared before the season started**.) Scores can be combined, NOT doubled. (Example: 8- 9 hole scores OR 4 – 18 hole scores) 9 hole or other region meets based on individual regions
