

BASEBALL Policies & Pairings

Wilson will be the official game ball. A player may pitch a maximum of 14 innings per calendar week (Sunday 12:01 am through Saturday 12:00 midnight) regardless of game length and regardless whether the player participates in varsity or sub-varsity. One pitch constitutes a full inning. (This rule applies to only Fall Baseball 2016 – 1A)

The NFHS has passed a new pitch rule that will be implemented beginning the spring of 2017. The rule is as follows:

Rule 6-2-6 will now require a pitching restriction policy based on the number of pitches thrown in a game. Each NFHS member state association will be required to develop its own pitching restriction policy based on the number of pitches thrown during a game to afford pitchers a required rest period between pitching appearances. (The UHSAA will develop this process in the fall of 2016)

- A team's warm-up/stretching area must take place near the foul line closest to team dugout in all games.
- The home team shall wear their white or lightest colored uniform and the visiting team will wear their darkest colored uniform.
- The ten run rule will be in effect as will the speed up rules regarding pitchers and catchers.
