# Contest Limitations

Any meet in which one (1) or more students participate counts as a meet for that school in individual/team sports of cross country, golf, swimming, tennis and track.

The following contest limitations apply to sophomore, junior varsity and varsity level competition from the starting date until one (1) week prior to the state meet or tournament.

<b>Baseball</b>	Twenty-two (22) - Each game played counts as one game. Schools may exercise one of the following options during the season: <ul style="list-style-type: none"><li>• Play one (1) multi-game tournament (up to maximum of four (4) games) and count it as two (2) games and play one (1) non-region double header on a non-school day for both schools and count it as one (1) game</li></ul> <b>OR</b> <ul style="list-style-type: none"><li>• Play two (2) non-region double headers on non-school days and count each double header as one (1) game</li></ul>
<b>Basketball</b>	Twenty (20) games if no region post-season tournament is held, tournament with up to four (4) games counts as two (2), plus the option of playing one (1) endowment game.
<b>Cross Country</b>	Ten (10) meets
<b>Drill Team</b>	Three (3) competitions and a region competition - total of four (4)
<b>Football</b>	Nine (9) games and Endowment game
<b>Forensics/Debate</b>	Ten (10) meets per individual
<b>Golf</b>	Fourteen (14) meets                      Boys and Girls
<b>Music</b>	Three (3) contests per category
<b>Soccer</b>	Sixteen (16) matches                      Boys and Girls
<b>Softball</b>	Twenty-two (22) games - Each game played counts as one (1) game, except for the games played under the two (2) tournament exemption rule which allows schools two (2) tournaments. At least one must be a non-school single day tournament, where all games played count as a single game (a maximum of four (4) games may be played), and one multi-day tournament, where all games played count as two (2) games (a maximum of eight (8) games may be played in a multiple day tournament).

<b>Swimming</b>	Fourteen (14) meets
<b>Tennis</b>	Fourteen (14) meets. The number of meets counted for a tennis tournament shall be equal to the number of days scheduled for the tournament; e.g. a one (1) day tournament shall count as one (1) meet, and a two (2) day tournament shall count as two (2) meets, etc.
<b>Track</b>	Twelve (12) meets Ten (10) meets per individual
<b>Volleyball</b>	Fourteen (14) games - Volleyball tournaments shall be counted as two (2) games. Schools will be limited to two (2) tournaments.

## Region Tie Breaker Rule

1. **All Play-in games will be played at a NEUTRAL site.**
2. Tournament entries will be determined by the win/loss record in region (league) play. In the event of a tie between teams/individuals qualified for region/state tournament positions, the seed will be determined by the win/loss record between the teams/individuals involved. If they split, the seed will be determined by head to head records against the next highest finisher will be compared. This process will continue on down until the tie is broken. A coin toss will determine subsequent seeding.

### Examples:

**Two basketball teams (A & B) tie for second place in region play.** The two teams split during region play and both teams lost twice to the region champion. Team A defeated the fourth place team twice and team B split with the fourth place team. Team A would go into the state tournament as the second seed and team B would go to the state tournament and the third seed.

**Three football teams (A,B,C) tie with identical records for 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> place in region play.** The three teams both won one and lost one against each other. None of the teams beat the region champions, but two of the teams (A&B) beat the 5<sup>th</sup> place team and one team lost to the 5<sup>th</sup> place team. In head to head play team A defeated team B. The order of finish would then be team A 2<sup>nd</sup>, team B 3<sup>rd</sup>, and team C 4<sup>th</sup>.

**Three soccer teams tie for the region championship** with a 10-4 record. In head to head games involving the three teams, team A goes 3-1, team B goes 2-2 and team C goes 1-3. Team A will go into the state tournament as 1<sup>st</sup>, team B will go in as 2<sup>nd</sup> and team C goes as 3<sup>rd</sup>. All three teams will be considered as tri-champions.

3. In the event of any tie that would determine entry or non-entry to the state tournament, playoffs will be held.

### Examples:

If there is a **tie between two teams with one available tournament slot**, they will play each other at a neutral site. If the games were split, they will play at a neutral site, with the winner of the game earning the tournament entry.

If there are **three teams tied for one available tournament entry slot** a three way coin flip will be held. The odd team will have a choice to play 1<sup>st</sup> or 2<sup>nd</sup> half. If they choose to play 1<sup>st</sup> half, the other two (2) team's flips and winner chooses to play or have a bye. The winner of that game will play the bye team in a half game. The winner of the second game will then get the tournament entry slot.

If there are **three (3) teams tied for two (2) available spots**, the highest seed will be determined by the win/loss record between the teams/individuals involved. If the head records do not break the tie, then there will be a three (3) way coin flip; odd team gets the choice to play or qualify at a lower seed, the other two (2) teams play. The winner of that game gets the final tournament berth.

**\*\*A three (3) way playoff in football will be played as a two (2) quarter game.\***

4. A coaches (AD/Principals) meeting will be held a week before the last season game for those schools affected by a possible tie or ties.

## **Region Sport/Activity Rotation**

1. All sports/activities will rotate up one each year except for football (two (2) year rotation-up one).
2. Home and home sports/activities will flip-flop the home and home schedule each year.
