Tournament Information

The Utah High School Activities Association, U.S. Bank and Les Schwab Tires are proud to present the 2010 State Wrestling Championships at the McKay Event Center. Be sure to read all of the information so as not to be disappointed or surprised on the day of the tournament. **Please be sure to inform your wrestlers, parents and other fans of the following:**

Entries from the Region and Divisional Tournaments

State qualifiers from Region/Division Tournaments are to be entered in the State Tournament by the directors of those tournaments. Entries **MUST** be submitted by e-mail on the form provided to tournament directors by midnight the last day of the qualifying tournament. First and last names must be included as well as year in school, last year's state place and this season's varsity record. This information should be provided by **coaches** when they enter wrestlers in the Region/Division Tournament. Information regarding submission of results has been sent to the tournament directors and coaches hosting the Tournaments. Questions by tournament directors regarding the entry of wrestlers on-line should be directed to Bart Thompson in the UHSAA office.

Region/Division Responsibility to Check Compliance with Weight Management Rules

The NWCA Alpha-Master sheets and individual weight -loss plans must be checked carefully at the Region/Division Tournaments to ensure that each wrestler is competing at a legal weight. ***The UHSAA will audit brackets to ensure that wrestlers are participating not lower than their legal minimum weight.*** Wrestlers who qualify from region/division at a weight class for which they are not eligible to compete will be disqualified from the State Tournament and regions and schools will be subject to penalty. Schools/coaches attempting to enter a wrestler in a weight class for which they are not eligible will be subject to discipline as well. Please work to avoid problems with this that could occur after region/division by carefully checking each wrestler prior to the region/division tournament.

Region/Division Responsibility for Checking Physician Clearance on Low Body Fat Wrestlers

Wrestlers who require physician's clearance for low body fat should have their clearance recorded on the Alpha-Master prior to competing. Clearance forms should have been submitted to the UHSAA by fax at (801)566-0633, by e-mail, or by regular mail. **Coaches, please check the Alpha-Master** to assure that those who need clearance have it and that it is recorded on the Alpha-Master prior to the region/division seeding meeting to avoid problems. Wrestlers must have at least one legal weigh-in after a legal body fat test and prior to weighing in for any post-season tournament. The weigh-in for a post-season tournament does not fulfill this requirement.

Wrestlers and coaches will enter through the tunnel on the north side of the building. **Buses will not be allowed into the back lot area to drop off teams.** Bring ID as it may be required. A participant check-in list will allow wrestlers into the building through the wrestlers' entrance the first time each day. To be listed, certified trainers need to contact Lisa Walker at lisa.walker@nebo.edu.

Weigh-In; Skin Check

The Weigh-in will take place in the dance studio on the upper floor of the north end of the McKay Center. The weigh-in will be conducted by weight class according to rule 4-5-3. Wrestlers must report when their weight class is called. Wrestlers will enter the weigh-in area from the west and exit through the east end of the room. After weighing in, all wrestlers will be subject to a skin check which will occur on the east end of the weigh-in area. An on-site, designated meet physician will be present to rule on suspect skin conditions. Wrestlers should be prepared to present their own physician's statement at this time. As per rule 4-2-4 the on-site designated tournament physician "may over-rule the diagnosis of the physician signing the physician's release form..." Wrestlers with scratches or abrasions may be required to cover them for their own protection from potential infection. As per rule 4-2-3 "Covering a communicable condition shall not be considered acceptable and does not make the wrestler eligible to participate."

Coaches Information

Please insure proper health guidelines are met and followed at the Region/Division Tournaments.

Wrestlers should be groomed in accordance with rule prior to reporting to the weigh-in.

Medical personnel will check all wrestlers for communicable skin conditions immediately following the State Tournament weigh-in. **A doctor's clearance on the approved form will be required for any**

questionable skin conditions subject to rule 4-2-4. The approved skin form is available on the “Wrestling” page of the UHSAA website. <http://www.uhsaa.org/info/images/forms/skinform.pdf> Wrestlers will not be allowed to participate without proper clearance. Special care will be given between sessions to disinfect the mats.

The UHSAA will not provide supplies to wrestlers, please make preparations. Please bring a school medical kit to the tournament for use with your wrestlers.
