Tournament Information

The Utah High School Activities Association and Les Schwab Tires are proud to present the 2014 State Wrestling Championships at the Maverik Center in West Valley City. Be sure to read all of the information so as not to be disappointed or surprised on the day of the tournament. **Please be sure to inform your wrestlers, parents and other fans of the following:**

Entries from the Region and Divisional Tournaments

State qualifiers from Region/Division Tournaments are to be entered in the State Tournament by the directors of those tournaments. Entries **MUST** be submitted by midnight the last day of the qualifying tournament. **First and last names must be included as well as year in school, last year's state place and this season's varsity record. This information must be provided by coaches when they enter wrestlers in the Region/Division Tournament.** Wrestlers will be entered in the state tournament by the Region/Divisional Tournament director. Regions/Divisions not using Trackwrestling tournament software should contact Bart Thompson at the UHSAA office (801-566-0681 thompson@uhsaa.org) well in advance of their tournaments for instructions on entering qualifiers in the state tournament.

Region/Division Responsibility to Check Compliance with Weight Management Rules

The NWCA Alpha-Master sheets and individual weight-loss plans must be checked carefully at the Region/Division Tournaments to ensure that each wrestler is competing at a legal weight. Wrestlers who qualify from region/division at a weight class for which they are not eligible to compete will be disqualified from the State Tournament and regions/divisions and schools will be subject to penalty. Schools/coaches attempting to enter a wrestler in a weight class for which they are not eligible will be subject to discipline as well. Please work to avoid problems with this that could occur after region/division by carefully checking each wrestler prior to the region/division tournament.

Region/Division Responsibility for Checking Physician Clearance on Low Body Fat Wrestlers

Wrestlers who require physician's clearance for low body fat should have their clearance recorded on the Alpha-Master prior to competing. Clearance forms should have been submitted to the UHSAA by fax at (801)566-0633, by e-mail, or by regular mail. **Coaches, please check the Alpha-Master** to assure that those who need clearance have it and that it is recorded on the Alpha-Master prior to the region/division seeding meeting to avoid problems. Wrestlers must have at least one legal weigh-in after a legal body fat test and prior to weighing in for any post-season tournament. The weigh-in for a post-season tournament does not fulfill this requirement.

Passes/Tickets Required by All

No one will be admitted without a ticket or pass. Schools are reminded to secure tickets for cheerleaders, bus drivers, managers etc. as they will not be admitted without a ticket.

Admission of Teams and Team Personnel

Each participating school will be issued four coaches' floor access wrist bands. One of the four is for the head coach. The head coach of each school is to issue the remaining passes only to certified coaches (see UHSAA By-Laws Article 5). An individual with a coaches' floor access pass is subject to all rules regarding coaches.

Wrestlers competing in the tournament will be stamped as they enter with their team the first time each day. The entire team is to enter at the same time to facilitate check-in. The stamp will admit them for the rest of the day. Wrestlers and coaches will enter the Maverik Center the first time each day through the doors marked "Stair 1", the northern most doors on the west side of the building, adjacent to parking area A14 (see pictures). Bring ID as it may be required. A qualifier check-in list will be used in admitting wrestlers into the building through the team entrance the first time each day. The team entrance will open one hour prior to the weigh-in each day and will close at the beginning of the weigh-in. Re-entry with a wrestler stamp or coaches wrist band the same day will be through the VIP/will call entrance.

All others must have a ticket or pass and will be admitted through the regular patron entrance. School athletic trainers (ATC) will be admitted, if listed on the approved trainers' list, at the VIP/will call entrance (south end, west side). To be listed, certified trainers need to contact Lisa Walker at lisa.walker@nebo.edu.

Busses; Team Drop Off; Bus Parking

Buses are to drop off teams at the curb at the team entrance on the west side of the building. The drop off area extends north of the team entrance for about 100 yards, please use the entire drop off area. Busses may then proceed to the bus parking area along far west fence of the parking lot parallel to I-215 or in the auxiliary lot north and east kitty corner to the main Maverik Center property. (see map titled "Bus Parking")

Team/Wrestler Seating

Seating for wrestlers/teams will be in the upper level of the arena, sections 201-226. When teams enter the Maverik Center through the team entrance they will be directed to the upper level. Teams will not be allowed in the lower seating areas, sections 101-126.

Weigh-In; Skin Check

The Weigh-in will take place at the east end of the Golden Corridor . The Golden Corridor is located at the north end of the arena on the upper level (4th floor). The weigh-in will be conducted by weight class according to rule 4-5-3. Wrestlers must report when their weight class is called. Wrestlers will be staged by weight class in the Golden Corridor and then proceed to the weigh-in area. Wrestlers will enter the weigh-in area from the west and exit through the east end of the room. After weighing in, all wrestlers will be subject to a skin check which will occur on the east end of the weigh-in area. An on-site, designated meet physician will be present to rule on suspect skin conditions. Wrestlers should be prepared to present their own physician's statement at this time. As per rule 4-2-4 the on-site designated tournament physician "may over-rule the diagnosis of the appropriate health care professional signing the medical release form..." Wrestlers with scratches or abrasions may be required to cover them for their own protection from potential infection. As per rule 4-2-3 "Covering a communicable condition shall not be considered acceptable and does not make the wrestler eligible to participate." A reminder of the rule regarding the weigh-in: Rule 4-5-7: "All contestants (male and female) shall weigh in wearing a suitable undergarment that completely covers the buttocks and the groin area. Female contestants must also wear a suitable undergarment that covers their breasts..."
