*\*Note: Brackets may be adjusted based on number of teams participating.*

For 1A inter-region playoffs, the traveling team shall make the final decision for the date (Monday or Tuesday). The time of the game shall be negotiated by both schools, but not to begin before 3:00 p.m. If agreement cannot be reached, the time shall be 7:00 p.m. The following factors shall be paramount in the date and time negotiating process between the two principals:

1. Time out of school for the entire state tournament week should be the number one consideration.
2. Distance from the state tournament site for both schools shall be factored heavily.
3. Game time of the first day at the state tournament for the winning team shall be considered and should not hamper the chances of the hosting team.
4. Posturing of coaches for an edge to win over what is deemed right for the student athletes' safety and educational experience, shall not be a factor in the negotiations.
5. A team electing not to participate in an inter-region playoff will be subject to the breach of contract by-law (Article III Section 8) found in the *UHSAA Handbook*. The regional boards of managers from the two regions shall resolve the case.
