

2013/14 HIGH SCHOOL SWIM OFFICIALS TRAINING

We are excited to have a new swim season upon us, and to get our swim clinics underway. We all want our swimmers to have a great experience and to ensure our meets go well we need to have plenty of Swim Officials trained to run our meets. It is required that you take a clinic each year to certify as a High School Swim Official. Each clinic listed below will teach a Stroke and Turn portion (2.5 hours) and a Starter Referee portion (1 hour). Everyone must attend the stroke and turn portion of the clinic, but only those who will be a starter or a referee need to stay for the last hour of class. You must be at least **18 years of age and NOT a High School student** to become an official.

******We are also excited to offer a new kind of clinic this year for those who are new or fairly new to the sport or would like some more in-depth training. Our **Park City clinic** will be classroom instruction then out to the deck for a mini meet. This will give you an idea how a meet is run, what each job does, and some hands on training. We thank Mike Werner for allowing us pool time to do this. We encourage you to attend this class if you are new. ******

Once you have completed a clinic your name will be put on the Officials List for the 2013-14 season and will be posted on the Web site www.utsrimcoach.com with their certification class. Coaches will run their meets from the list of certified officials or the meet will be invalid. Please make sure all your bases are covered, that your people attend the training they need. We have varied the dates to try to accommodate everyone. Make sure you have enough certified people to run your home meets. We will also notate those certified officials who are willing to work outside of their team.

Cost for a **Clinic is \$20.00**. Checks can be made payable to **UHSSOA** (Utah High School Swim Officials Association.) Payment may be made when you check in at the start of the clinic. Coaches need to make arrangements with Robyn if they are paying for all their officials. Sorry we will not be able to allow anyone to go through the training without payment prior to the class starting.

You will need to RSVP to the class you will be attending five days prior to class. Each class will be capped to ensure proper instruction. You will receive a confirmation back from the instructor. If the class is full you will have to choose another location. Also if you can't attend a class you have already RSVP to please e-mail the instructor to cancel so your spot will be given to someone else. **We need your name, school affiliation, phone # and an e-mail address** so check in will go smoothly. Please arrive early enough to check in and get your materials, so class can start on time. Please **NO** late comers.

We are still moving in the direction of other sports coming under the National Federation, just at a slower pace. Certification will be the same as in past years for this season.

If you have questions you may call or e-mail Robyn Peterson at 801-404-6994
robynvpeterson@gmail.com

Officials uniform will change this year to khaki pants (shorts or skirt) and a navy polo style shirt.
