## Meet Format & State Qualifiers

A state swimming meet will be held in the 2A, 3A, 4A and 5A classifications, with 1A participating schools competing in the 2A classification. The state meets will be under a **Timed Finals** format over a period of two days; except for 2A. The 2A State Meet will be a one day meet with a break between the two sessions. Events #1-4 will be held on the first day of each meet and events #6-12 will be held on the second day. Event #5, diving, is a non-scoring team event.

The top two swimmers in individual events at region championship meets automatically qualify for the state meet. The remaining qualifiers are based on the best verifiable times from qualifying or region meets to a total of 24 per individual event/18 for 2A. The top relay in each relay event at region championship meets automatically qualify for the state meet. The remaining qualifiers will be based on the best verifiable times from the top 50 list or the region championship meets to a total of 16 relays and 12 for 2A. NFHS Championship Meet Entry Rules apply.

**Admission to State Meets:** Admission to State Meets: Prices for admission are \$8.00 for adults and \$4.00 for students per session. Because of limited seating, there will be no advance ticket sales and reserved seating is not available. Patrons who purchase tickets should proceed directly to the pool and enter as soon as the doors open, which is 2 hours before the start of each session. Ticket sales will stop when the venue is full – therefore, patrons who purchase tickets early and then leave expecting to return later are not guaranteed admission and will not be admitted if the venue is full. Seating is on a first come, first serve basis. Patrons are not allowed to save seats. The facility will be cleared after each session. A separate ticket must be purchased for each classification session. Only ticketed patrons will be allowed admission to the balcony for seating. Tickets can be purchased at the BYU Smith Fieldhouse Ticket Office. The Smith Fieldhouse is found across the quad from the Richards Building Pool and the ticket booth is on the north side of the building. Spectators should purchase a ticket at the Smith Fieldhouse before standing in line at the Richards Building to enter the balcony.

### **Limited Parking & Spectator Seating**

Public parking will be free in the lot west of the practice football field which is west of the Richards PE Building. BYU is in session on Thursday and Friday so make sure to adhere to all parking restrictions.

**Spectators should arrive early because seating is extremely limited (only about 1100 seats available). A live video feed will be provided so patrons can watch the meet for free in Room 267.** Once the balcony is full, the Utah Fire Code prevents us from seating any additional spectators. In the case of a sell-out, patrons will be given a number that will be called in sequence when seats become available.

### **Where to Pick-Up the School Team Packets with Deck Passes**

Schools can pick-up their team packet, containing the deck passes, either at the UHSAA office on the Wednesday prior (199 E. 7200 So.) or at BYU on the day of the meet. To pick-up your team packet at BYU, report to the ticket-sellers table by the entrance to the pool balcony. Passes will be issued only to those on the state roster as submitted and verified by the State Meet Director. Schools only get (3) deck passes for coaches or managers.

- **Coaches should email the names of volunteer timers to Robyn Peterson at [UHSStateswimtimer@yahoo.com](mailto:UHSStateswimtimer@yahoo.com).**

A confirmation email will be sent to the coach. We appreciate your help in filling all of the spots needed.

### **Passes Required for Admission to the Deck**

**If the deck is cleared and approval is given, teams can enter the deck two hours prior to the start of the meet on the first day of the state meet and 90 minutes prior to the start of the meet on the second day.**

Admittance to the deck requires a deck pass and picture I.D. for everyone. BYU ushers will be seated by the locker rooms and will ask to see a deck pass and photo I.D. (i.e. driver's license, activity card) when entering the deck area. Deck passes will be generated from the state qualifying list. Schools only get (3) deck passes for coaches or managers.

### **REVISED Bus Drop-Off & Team Pick-up**

BYU has notified us that buses will NOT be permitted to pull around in front of the Richards Building. Drivers must follow the route identified on the map posted on the Swim page and drop teams off in front of the "Indoor Practice Field" (see star on map). Buses will only be allowed to park in the lot west of the stadium. Following the meet, coaches should call their bus driver on their cell phones for pickup.

### **State Meet Guidelines**

- There are no diving starts allowed in the warm down pool, this pool is for feet first entry only.
