

1A DRILL STATE DECLARATION FORM

Must be received no later than the Saturday prior to State

REGION _____ SCHOOL _____ DATE _____

HEAD COACH _____ CELL _____ EMAIL _____

The 1A schools are not required to participate in a region competition to qualify for state or for seeding purposes. All 1A drill teams may participate in the 1A State Drill Competition by sending notification to the UHSAA as outlined below.

Participating 1A schools have been tentatively assigned a rotating order of performance in each of the competition categories for the 2012 and 2013 State Drill Competitions. The pre-determined order of performances for the participating 1A schools will be posted on the Drill page @uhsaa.org. As soon as you know that you will or will not participate in the 1A State Drill Competition, send an email to the Becky Anderson, UHSAA Assistant Director at anderson@uhsaa.org. This is a courtesy notification so we can begin preparations.

No later than the Saturday prior to State the coach of each 1A participating school shall send this completed form to the UHSAA office by fax or email (anderson@uhsaa.org) as a FINAL CONFIRMATION of participation. The order of performance may have to be adjusted based on the number of participating teams.
