

On Thursday, June 13, 2019, the Utah High School Activities Association (UHSAA) will sponsor their eighth statewide leadership conference in partnership with the Utah Interscholastic Athletic Administrators Association (UIAAA). The UHSAA is asking all of their member schools to select two students, one boy and one girl, to participate in the full day conference. The principal should oversee the selection process at the school and should take into consideration the criteria listed below. The students' names and contact information should **be submitted by Monday, April 15**, through the following link: <https://www.uhsaa.org/Dare2Lead/>

- The students should be respected by their teachers, peers, teammates and demonstrate leadership abilities, academic excellence, strength of character, and personal responsibility.
- The students have the desire and ability to positively influence and impact their peers, school and community.
