

SWIMMING Policies

Adhere to UHSAA and NFHS Rules

The National Federation of High Schools (NFHS) provides the rules for high school swimming and diving. Coaches, athletes and officials must adhere to all UHSAA and NFHS rules and regulations. Swimmers and divers must compete in legal attire as outlined in the NFHS Swimming Rules. Suits which are deemed inappropriate or offensive will not be allowed. Coaches will inform their athletes that suits must adequately cover the buttocks. Meet directors or UHSAA representatives may ask that another suit be worn.

Qualifying Meets and Times

The results of all dual, invitational, district, and region meets will be sent to the State Top 50 Committee. These times will be kept by them and published on a timely basis during the year. In order for the times of the meets listed above to be used in consideration of qualifying for state competition the following conditions must be met:

- The meet must be run using electronic timing.
- There must be two certified officials at each meet from the list of officials published by the Utah Swim Coaches Association.
- Results must be signed by both officials and the head coaches.
- The date of the meet and the time the meet ended should be placed on the result sheet(s) and sent to the State Top 50 Committee.
- Meets swam in meter pools will be converted by taking the time swam in the meter pool in seconds and dividing it by 1.11 (HY-TEK).
- Meet results and results sheet must be submitted to compiler **within one week** after competition is completed.
- The region championship meet is the last chance to submit state qualifying times.

USCA Fee for Maintaining Top 50

The Utah Swimming Coaches Association (USCA) requires a \$30 annual fee from participating schools to maintain the Top 50 times on the USCA website at www.utswimcoach.com. This list will be used for seeding into the State Swim Meets. To have times posted, the required \$30 fee shall be paid to the UHSAA by November 1. Any times achieved prior to this due date, will not count towards state qualification **if** the fee has not been paid. State qualifying times will not count until **after** the fee has been paid. If you have questions regarding the USCA fee contact the USCA President.

1A/2A Classifications

Participating 1A/2A schools will compete in the 3 Regions of the 3A Classification. The 1A/2A schools participating in swimming have been assigned to the following regions:
