Even though the home school rounds are part of the post season tournament, UHSAA will not receive any revenue and therefore will not pay any expenses. The home school is responsible for paying the umpires. Umpires must be arranged through the ArbiterSports system, please call Jeff Cluff (435) 619-7524 and notify him as soon as possible after arrangements are made.

Ticketing is optional for schools participating in games played at home school sites. All costs (including programs) for home school sites are the responsibility of the schools involved. Those schools involved should share any profits gained from those games. All games after the home field sites will be eligible for expense reimbursement from the UHSAA.

The principal or assistant principal is responsible for the supervision of their students at all tournament games. Students must be always under adult supervision.

As per Executive Committee mandate, anyone under the ninth grade may not be on the field or in the dugout.

All ticketing is online via the UHSAA on-line ticket system GOFAN ticketing.

<https://gofan.co/app/school/UHSAA>

No cash or checks are accepted at the venue site. Student ticket prices are \$5.00 and adult prices are \$10.00. Everyone must have a ticket including bus drivers, photographers, cheerleaders, pep squads and bands. There is no reimbursement for cheerleaders.

There are to be no banners or signs of any kind displayed at the state tournament.

Beginning with the home site games, the official game ball is Wilson and the host school is responsible for baseballs. At the state tournament venue, the UHSAA will provide the baseballs.

Due to the very tight time schedule, pregame infield will only be allowed during the championship series. A time limit of 10 minutes will be allowed for infield and pregame warm-up. More time will be granted if time allows and the teams will split the extra time equally.

At Kearns, UVU and BYU cages are available prior to the game and will need to be shared between both teams.

Please use the main gates at each of the facilities. Please do not attempt to enter in any other access to the facility.

Home teams are the highest seeded team. except in a three-game series when the third game is determined by a coin toss. All three-game series are played at the higher seed's home site.

The coach of each team must meet 30 minutes before each game with the announcer and score keeper to turn in line ups for each game (line-up cards must include first names).

The home team will occupy the 3rd base dugout unless mutually agreed otherwise.

Your coaches, team members and two managers, not to exceed 35 total, will not need passes to enter the stadium. The uniforms are their tickets. Each coach must be certified and credentialed throughout the tournament. Costs for all additional personnel in excess of 35 total without tickets will be billed to the school. Please do not ask for exceptions to this policy---you may purchase tickets for any additional personnel via the GOFAN app at <https://gofan.co/app/school/UHSAA>

PLEASE CLEANUP THE BENCH AREA SO THAT IT IS PRESENTABLE FOR THE NEXT TEAM.

BASEBALL INFORMATION--PLEASE REVIEW

- A. WEATHER RELATED INFORMATION: Rain could be a factor in any of our tournaments.

 - i. Definition: a suspended game is a contest where the game is stopped because of weather, mechanical, or facility problems.
 - ii. Procedure: The point of suspension will be marked in the scorebook and on the umpire's lineup cards. If there is more than one suspension, games will be made in the same order as they were suspended. All games will continue from the point of suspension until the game is completed. Lineups will remain the same as they were at the time of suspension. Tie games are treated as suspended games if both teams have had an equal number of completed turns at bat (UHSAA Handbook).
 - c. Complete Game
 - i. Definition: a complete game is when suspension occurs and the home team is leading the game after 4 ½ innings or the visiting team is leading after five complete innings (4-2-3a).
