## TOURNAMENT INSTRUCTIONS

- Gates open and tickets will be redeemed 60 minutes prior to the first game of the tournament.
- Thirty minutes prior to game time, the head coach should check in at the press box with tournament management to turn in their lineup.

- Home team will occupy the 3<sup>rd</sup> base dugout unless mutually agreed otherwise.

- Each site will have designated grassy areas that teams can use for warm-up.
- Due to the tight time schedule, there will be no warm-up allowed on the diamonds.
- Prior to all games, infield warm-up is only allowed outside the base lines.
- There are no time limits in any games at the State Tournament.
- The 10-run rule is in effect after five innings and a 15-run rule is in effect after three innings.
- The official tournament game ball will be the **Wilson A9011**.

### INTERNATIONAL TIE-BREAKER

- If a game is tied after seven innings of play, the international tiebreaker will be implemented.
- At the start of the 8th inning, before the first batter begins her turn at bat, the last batter who completed their turn at bat in that team's half of the last inning will assume a position at 2nd base. This means that the first batter in the top of the 8th will bat with a runner on 2nd base and no one out. The same procedure will continue in each half inning until a winner is determined.
