

2A-3A-4A-5A-6A BOYS GOLF CHAMPIONSHIPS 2025

Dear Golf Coaches,

Here are a few reminders in preparation for our 2025 Golf State Championships:

- Please review the UHSAA/Utah Section PGA rules, policies and procedures document located on the boys' golf page/UHSAA website.
- There will be a MANDATORY coaches meeting at 8:00 a.m. on the opening day of each tournament in the clubhouse of each course. Tee Times will start at 9:00 a.m. One coach from each school should attend the coaches' meeting.
- Formal online entries are due by 3:00 p.m. MST the Tuesday of the week prior to the State Championship event. All teams that qualify for state must have their correct team selections made by then. Region representatives should have submitted qualifying scores prior to the deadline and have posted their region scores all season. Please ensure all scores have been submitted into the program at utahhighschoolgolf.com. If you need help with this step please contact Aaron Goodman with the Utah PGA, agoodman@pgahq.com. If a team does not qualify, but has an individual that does, enter his position as #1 and #2 and so on. The region scores should be entered by the designated region golf representative.
- Please review the policies and procedures document on the boys' golf page and UHSAA handbook to know how your classification determines which teams and possible individuals qualify for the state tournament. Each classification qualifies for state in a specific way. This has changed with the new realignment.
- Tournament Participant Bios and Coaches Information forms should be turned into the Utah Section PGA representative prior to your players teeing off on the first day of the tournament. This form will be used to calculate the All-State Golf Team. We have updated the document, so you only need to fill out one sheet for the whole team. The new form will include participants' bios and coaches' information. This form can be found on the boys' golf page.

- School teams and individuals who qualify, along with tee times and pairings, will be posted on the UHSAA boys' golf page. We cannot make final calculations and pairings until all schools have reported their final scores. Please complete all entries on time to ensure we can post qualifying teams and pairings in a timely manner.
- There will be a \$450. team or \$75. individual registration fee charged for participation. This registration fee should be paid to the Utah Section PGA at the state event. Payment may be made in the form of cash, check or credit card.
- All UHSAA Golf Championships (boys and girls) will use a Maximum Stroke Play Scoring System. Contestants will pick up after reaching a maximum score of nine (9) strokes on any hole of competition. Markers will record a 9 on any hole where the maximum score is scored and then it will be circled on the card for easy identification of that score.
- The Fall Golf Championship Schedule:
 - 6A- Oct. 6- Oct. 7 at Sleepy Ridge GC in Orem
 - 5A- Oct. 6- Oct. 7 at TalonsCove GC in Saratoga Springs
 - 4A- Oct. 8- Oct. 9 at Lakeside GC in West Bountiful
 - 3A- Oct. 8- Oct. 9 at Stansbury Park GC in Stansbury Park
 - 2A- Oct. 1- Oct. 2 at Palisade GC in Sterling
- Please inform any spectators that will be following your players of the guidelines to be able to rent a cart. They must have ADA verification, be 65 years old or older, pregnant, or have a doctor's note stating they are physically unable to walk 18 holes. If they meet one of these stipulations, they must also be 21 years or older to rent a golf cart. There are very limited numbers of carts available for rent. They must meet one of these criteria, and present documentation to rent a cart. PLEASE INFORM PARENTS OF THESE REQUIREMENTS.

Mandatory Coaches Certification and Credentials for the State Tournament:

As part of the UHSAA Executive Committee's ongoing emphasis on the successful certification of UHSAA coaches, as required by Utah State Board of Education (USBE) rule, the Association will be requiring the use of credentials to coach in all UHSAA postseason events. In conjunction, the UHSAA will only send credentials to coaches who have successfully completed all certification requirements and entered the information in the Aktivite system. A reminder that all coaches (head, assistant, volunteer) must be certified to coach in the UHSAA postseason events. Only 2 coaches will be allowed to coach at the state tournament.

Check with your school athletic administrator to make sure your certification is complete, you have uploaded a picture, and a credential has been ordered.

Bring the credential to the state tournament. It will be your identification as a certified coach for the tournament. You must wear the UHSAA credential to coach at the state tournament.

Mandatory Rules and Etiquette Clinics are required to be held on a region or school basis. Clinics for Fall Golf (2A-6A Boys) must be concluded by September 15 each season. Once you have completed the golf clinic for your team, go to the clinic tab on the UHSAA website to declare that the clinic has been held for your team. Please declare that the clinic has been given by September 15 to avoid a fine assessed to your school.

MANDATORY COACHES RULES CLINIC

A mandatory rules clinic for all head coaches was held on July 29. If you were unable to attend the Zoom clinic, an online version of the clinic can be viewed from the clinic tab on the UHSAA website. Each head coach must attend the live Zoom clinic or view the online clinic to avoid a school fine. Viewing the coaches' rules clinic should have been completed by September 15. <https://uhsaa.org/rules-clinics/>

Good luck as you finish up your season!

Please feel free to email Jan Whittaker at jwhittaker@uhsaa.org with questions.
