

Utah High School Activities Association

Circle of Fame Inductees

Circle of Fame

The Circle of Fame honors individuals who have contributed to their communities in high school activities. It is the highest honor the UHSAA bestows upon contributors.

Inductees are nominated by their regions through the Executive Committee each year. Recipients are typically recognized at an awards luncheon with the UHSAA Board of Trustees and at a winter sport's tournament or championship.

Listed by Year Inducted

Harry Burchell

Athletic Director
Bonneville High School
1988

DelMar F. Schick

Administrator
Hillcrest High School
