

Drill Team Semifinals/Finals Information

3A-4A-5A-6A - The final, **overall** results from each region competition determines the placing of teams into pods/brackets (see **Brackets**). A pod is made up of four (4) teams. The four (4) teams in each pod will compete against each other in all routines (see also **Semifinals Performance Times**). At the conclusion of Pod Competition, the top two teams in each pod, moving on to the finals, will be announced. The coach of the next **possible** qualifying team will be notified of the team's possible advancement to the finals; however, the **FINAL** qualifier, or the **wild card** team will be announced at the conclusion of **ALL** semi-final performances.

1A and 2A - No semi-final rounds will be held for the 1A and 2A teams. The finals qualifying will be from the North and South Regions. The 2A performance order will be based on over-all finish at the region competitions. The 1A performance order will be based on category finish at the region competitions.

Scoresheets will be given at the conclusion of the semifinal and final competitions; however, the final results tabulation sheet will not be given. The final tabulation results from the semifinals will be available after the entire State Competition. For the teams competing in the finals, scoresheets and tabulation results from the finals will be available at the conclusion of the **finals** competition at the sound table.

The Judge's Audio Files will be sent to the coaches via e-mail after 10:00 p.m. on both the semi-final and final days.

Competition music must be sent in a music file prior to January 28, 2018 to:

ssproductionsoffice@gmail.com.

Subject line: UHSAA drill 2018 and school name. Files should be named according to school name and category (military, dance, character). In the email put your name, school name, cell phone number and email address. Include the length of each song to ensure that they have been sent in their entirety. Coaches **will** be able to adjust music tempo the day of the competition. There will be a CD player available as a back-up only.

The performance order for the finals, on Saturday, will be posted on the UHSAA drill page by 10:00 p.m. the night of the semifinals. The military order will be randomly drawn by the UHSAA State Competition Director. From this order, teams will perform in a rotation for the remaining routines. Each team will have the opportunity to perform at the beginning, middle and end of a category (please see **State Finals Performance Rotation Chart**).

The all-state recognition and performance will take place at the conclusion of the performances on the **final day**. Academic All-State will be announced and drill down will be held at the conclusion of the performances. You must be an eligible participant, competing at the finals, to participate in the drill down.

The top five (5) teams in each category, and the top five (5) overall teams will be announced and awarded.
