## REGION JUDGE REQUESTS

Region Competition Directors & Coaches:

I hope things are going well for all the teams in your region, and that everyone is looking forward to the upcoming competition season. Just like you, I am preparing to do my job and would like your input. If, as a region, you would like to submit one to three (1 – 3) judges that you would prefer NOT judge your region competition please let me know. These judges could be routine judges, technical judges, or both. Keep in mind that I will do my best to honor your requests, *but in no way is submitting names a guarantee that those judges will not work your competition.*

The best way to turn in your names would be to email them directly to me. Or, you can mail this form to my house and hope it gets to me on time. I NEED ALL REQUESTS NO LATER THAN **THE FIRST FRIDAY IN OCTOBER.** Here is my contact information:

Kellie Chamberlain  
3709 W. 12280 S.  
Riverton, UT 84065

If you choose to email me please make sure you include your region number, the name of your competition director (if not the same as the sender), and the judge's names.

I look forward to seeing you and your teams soon. GOOD LUCK!!!
