The UHSAA Board of Trustees has determined through a motion that catastrophic insurance will continue for the 2021-2022 school year and member schools will pay the catastrophic premium and not receive a reimbursement. The Board of Trustees will evaluate in May what percentage of reimbursement will be provided to member schools in the future. Nine of the past 11 years the UHSAA and its Foundation have reimbursed 100% of the premium and returned nearly 1.5 million dollars to UHSAA member schools.
