

2010 State Solo & Ensemble
South Ratings
Lone Peak High School
Saturday, April 24, 2010

Please note that if any discrepancies appear between the adjudicators given score on the original adjudication form and this list that the adjudication form is the correct score. We have made every effort to avoid errors in this document. If an entry is marked as no show (NS) and you have a completed adjudication form for that event, please copy and forward it to the High School Activities Association or John Bowman at jbowman@alpine.k12.ut.us so the fine can be dismissed. Thank you for helping make this a great festival.

Thank you,

John Bowman
