2019 State Solo & Ensemble South Festival; Festival Ratings

Dear Colleagues,

Congratulations to you and to your terrific students for a wonderful State Solo & Ensemble South Festival! I had a fantastic time watching my own students and many of your students, as well as getting to see and visit with many of you. We have you to thank for the success of the festival—thank you for being so flexible, accommodating, and maintaining the marvelous spirit of Solo & Ensemble. It was a great day to be a music educator in Utah!

It was also so great to be at the beautiful new Orem High School. Kenny Wise and Eric Nix, along with an army of student and parent volunteers, really put on quite a festival.

On the next several pages are the ratings from today's festival, organized by school. The packets with the completed adjudication sheets and certificates and medals for superior entries will be delivered or mailed to you soon. Please watch for these and distribute them as soon as possible. We invite all graduating Seniors who earned medals to wear them proudly at graduation this year! Juniors and Sophomores may wear theirs when they graduate.

I don't anticipate there being any inaccuracies in this report, but if you do find any ratings in this report that do not correspond to the ratings on the individual adjudication sheets, please let me know so we can fix the situation as soon as possible so that we may get certificates generated if we need to before the end of the school year.

On behalf of the UHSAA Music Committee, Neil Hendriksen, Brenan Jackson, Kenny Wise, Eric Nix, and John Bowman, I want to thank you and congratulate you for a wonderful festival. We look forward to seeing you again next year!

Thank you,
