2021 State Solo & Ensemble Virtual Festival; Festival Ratings

Dear Colleagues,

Congratulations to you and to your terrific students for a wonderful State Solo & Ensemble Virtual Festival! Despite the myriad challenges we all faced, we had nearly 1,300 entries submitted for the festival, and a record number of superior ratings! I look forward to being back with you at our in-person region and state events next year.

On the next several pages are the ratings from this year's festival, organized by school. Please click the links below to access the certificates for all solos that earned a I or I-, ensembles that earned a I, and Chamber Choirs that earned two I's. Chamber Choirs that earned two superior ratings (I and I), also have the option to purchase a plaque. The form is linked below.

Individual ratings sheets are found on [AuditionWare](#). Click on "View Participant Schedule" and then you may either "Print All My Participants Judging Forms" or "Print Student Form" to print individual students' forms.

The UHSAA will be distributing medals in the next few weeks for all soloists who earned a superior rating (I's only). We invite all graduating Seniors who earned medals to wear them proudly at graduation this year! Juniors and Sophomores may wear theirs when they graduate.

I don't anticipate there being any inaccuracies in this report, but if you do find any ratings in this report that do not correspond to the ratings on the individual adjudication sheets, please let me know so we can fix the situation as soon as possible so that we may get certificates generated if we need to before the end of the school year.

On behalf of the UHSAA Music Committee, Neil Hendriksen, Brenan Jackson, and John Bowman, I want to thank you and congratulate you for a wonderful festival. We look forward to seeing you again next year!
