## 2023 State Solo & Ensemble Festival; Ratings

Dear Colleagues,

Congratulations to you and to your terrific students for a wonderful State Solo & Ensemble Festival! I had a fantastic time watching my own students and many of your students, as well as getting to see and visit with many of you. We have you to thank for the success of the festival—thank you for being so flexible, accommodating, and maintaining the marvelous spirit of Solo & Ensemble. It was a great day to be a music educator in Utah!

It was also so great to be at the Woods Cross and Provo High Schools. Todd Campbell, Krista Baer, Kenny Wisner, and Deven Halcomb, along with an army of student and parent volunteers, really hit a home run for all of us today!

On the next several pages are the ratings from today's festival, organized by school. The packets with the completed adjudication sheets and certificates and medals for superior entries will be mailed directly to your school, to the attention of your building administrator. Please watch for these and distribute them as soon as possible. We invite all graduating Seniors who earned medals, to wear them proudly at graduation this year! Juniors and Sophomores may wear theirs when they graduate.

I don't anticipate there being any inaccuracies in this report, but if you do find any ratings in this report that do not correspond to the ratings on the individual adjudication sheets, please let me know so we can fix the situation as soon as possible so that we may get certificates generated if we need to before the end of the school year. If you see an "NR" it refers to a "No Rating" which was given to a handful of students who did not provide adjudicators with an original copy of the music or who didn't bring an adjudication form. An "NS" means "No Show." A \$25 "No Show Fee" will be charged to the schools that had them.

If you believe any of the entries from your school marked as NS or NR are mistaken, please let me know ASAP so we can figure out the best solution.

On behalf of the UHSAA Music Committee, Brenan Jackson, Todd Campbell, Krista Baer, Kenny Wisner, Deven Halcomb, and John Bowman, I want to thank you and congratulate you for a wonderful festival. We look forward to seeing you again next year!

Thank you,
