The high schools of Region II recognize the important role that co-curricular activities and athletics play in the full development of a young person. As in all areas of our schools, Region II high schools are committed to the equitable opportunities for all young men and young women in activities and athletic programs. Activities and athletic programs are designed to be a complement to the academic programs and pursuits of young people. We hope that the self-discipline, commitment, teamwork and training of the mind and body in the arenas of the playing field and stage will effect similar skill development and success in the classroom.

We believe that when structured and pursued with proper balance and perspective, athletics and activities can play a key and positive role in shaping the hearts and minds of our young people. Sports and activities, as much as any other single area of endeavor, hold great potential for bringing people together from diverse backgrounds to pursue shared ideals in a spirit of community.

**Notification of the Press**

In all sports events and activities, the home school is responsible to call the Salt Lake Tribune and the Deseret News to report the scores.

Visiting team must have one administrator at away varsity football and boys’ varsity basketball games. It is recommended that an administrator be present at all activities, where possible. These people are to meet prior to the game and work out supervisory details. They are also to stay following the end of the event until the crowds have dispersed and the visiting team is on the bus.
   C. It is the responsibility of the chairman of each individual activity to see that Region II tournaments and meets are planned and well organized. It is the responsibility of the host school to provide adequate general supervision for the activity. If the host school is not the school of the chairman, there should be a clear understanding between the activity chairman and the host principal regarding the activity. In any case, the host school must provide general supervision for activities taking place in that school. Provide police and administrative supervision at the events and in the parking lots and possible trouble spots as identified by the local school plan.

7. **UHSAA Sportsmanship Policy**

   **A. Sportsmanship Conduct:**

   (1) **INTRODUCTION** – The effective Utah secondary school should support both an academic program and an activities program. The programs should do more than merely coexist, they should be integrated and support each other in “different” arenas. The concept of “sportsmanship” should be taught, modeled, expected, and reinforced in the classroom and in all competitive activities.

   (2) **PHILOSOPHY** – Activities are an important aspect of the total education process in Utah schools. They provide an arena for participants to grow, to excel, to understand and to value the concepts of SPORTSMANSHIP and teamwork. They are an opportunity for coaches and school staff to teach and model SPORTSMANSHIP, to build school pride, and to increase student/community involvement; which ultimately translates into improved academic performance. Activities are also an opportunity for the community to demonstrate its support for the participants and the school, and to model the concepts of SPORTSMANSHIP for our youth as respected representatives of society. SPORTSMANSHIP is good citizenship in action!

   (3) **REGION II SPORTSMANSHIP CODE OF CONDUCT**

   (This statement should be read prior to every Region II event where there is a public address system available)

   Ladies and gentlemen, welcome to (home high school) for tonight’s/today’s athletic contest. We welcome our guests from (Visiting High School) and wish all players good luck in tonight’s/today’s game. Both schools are members of the Utah High School Activities Association and support the statewide sportsmanship program Raise-the-Bar. Sportsmanship does matter and we ask for your support in demonstrating respect for the game and all the participants by refraining from negative cheers, chants or behavior. Do Rowdy Right.

   UHSAA policies will be followed for all events as listed below, unless otherwise noted in Region Manual:
STUDENT AND SPECTATOR SPORT ITEMS

In the chart below, ONLY those items marked “Yes” will be allowed as fan/spectator support items at all Region 2 Contests. It is recommended that schools follow these regulations during regular season and region tournament play. Sportsmanlike vocal cheering and support from team bench area are encouraged. B. General Sportsmanship Guidelines

SPORTSMANSHIP is a way of thinking and behaving. The following sportsmanship policy items are listed below for clarification:

1. Be courteous to all (participants, coaches, officials, staff, and fans).
2. Know the rules. Abide by and respect officials’ decisions.
3. Win with character and lose with dignity.
4. Display appreciation for good performance regardless of the team.
5. Exercise self-control and reflect positively upon yourself, the team, and the school.
6. Permit only positive sportsmanlike behavior to reflect on your school or its activities.
7. If flagrant violence occurs in any event in which a Region II school is participating, the Region Board of managers (principals) will review the incident upon request and on a case by case basis to determine possible consequences to participants(s) that are involved. These consequences may result in, but not be limited to, suspension from events(s), suspension for the entire season, and/or may include other consequences as determined by the Region Board of Managers.

C. Unsportsmanlike Ejections and Fighting Policy – Appeals Process
8. Events Schedules
(1) All Region II regularly scheduled events constitute a contract between schools. The failure of a team to participate in a scheduled contest without prior mutual consent and Board of Managers approval at all levels, including varsity, junior varsity, and sophomore, may result in a fine and forfeit assessed by the Board of Managers, plus the cost of any officials etc. to the affected schools.

(2) Both principals are to agree to the change before a change will be sent to the Board of Managers for approval. If the Board of Managers agrees on a change of time and date of an activity, the host school must notify the arbiter of the change in time for him/her to notify the officials. All officials (Varsity, J.V., Sophomore, and Freshman) will be arbitrated by UHSAA. Call changes to UHSAA offices. All costs associated with changing the time and date will be incurred by the school requesting the change.

(3) All invitational meets, matches, or tournaments must be approved by the UHSAA thirty days prior to the activity. Appropriate fines will be assessed against a host school and others who participate in unsanctioned events.

9. Miscellaneous
(1) Awards are to be given according to the published Region II format. No additional awards will be allowed unless pre-approved by the Board of Managers.

(2) All personnel on the sidelines will be monitored and controlled by their own school administration or police officers.

10. Game starting times and participant regulations
No sports activity may begin before 3:30 p.m., unless approved by the Board of Managers. However, varsity football may not start before 4:00 p.m. until Day Light Savings. Thereafter, games may start at 3:30 p.m.

11. Moratorium
A fine to be determined by the Board of Managers, which is paid by the coach, may be assessed to the coach of any team that is in violation of the designated days for moratorium of practice and play. This is in addition to the UHSAA sanctions. All sports will observe the following moratoriums: July 2-8, 2017, November 23-26, 2017, December 22-26, 2017 and January 1, 2018. Additional sport specific moratoriums are listed under Guidelines and Schedule for those sports.

12. Fine for violations
A fine may be assessed for a violation of region rules as determined by the Region II Board of Managers.

13. Seeding meetings or other meetings
Any expenses that are expected to be paid by Region II should be pre-approved by the Board of Managers.

14. Eligibility
Eligibility rules for Region II will be determined by the Utah High School Activities Association By-Laws: To participate in any UHSAA Region II or state interscholastic competition, an individual must be a full-time student in the school he/she has established eligibility. No student shall be eligible to represent his/her school if he/she is failing more than one subject or has a GPA of less than 2.0. Where a student has failed to meet the minimum requirements set forth above, he/she shall also be ineligible for participation in UHSAA or Region II activities in the succeeding grading period. Incompletes are computed as F’s for eligibility.
A. No student who is ineligible for a grading period should represent the school in any pre-season or practice contests with varsity, junior varsity, sophomore, or freshman teams.
   1. The word represent shall be defined below. Any violator of the Scholastic Eligibility By-laws shall not:
      A. be in uniform on competition night;
      B. warm-up with the team;
      C. sit on the bench with the team;
      D. be listed on the program roster;
      E. be introduced as a member of the team.
   
   The above student/participant may, however, continue to practice with his/her team upon approval of the school administration.

B. The date report card documents are posted officially by the school becomes the date which the scholastic rule is applied.

C. An incomplete is considered a failure until it is made up.

D. A student enters upon high school work when he/she enters the 9th grade regardless of whether the 9th grade is in the high school or a separate junior high school. This means that all 9th or 10th grade students must not have failed more than one class the previous grading period and have a GPA 2.0 or higher.

E. For the purpose of fall sports eligibility, classes taken during the summer do not constitute the previous term.

15. Coaches

A. Coaching behavior on the bench is reflected in student behavior. It is the responsibility of the principal to direct the coaching staff to be examples of good sportsmanship at all times.

B. Coaches are not to exert undue influence on officials before, during or after any contest. Any complaints or protests are to be made through the principal of the school.

16. Number of Games

Teams that exceed the number of games allowed in any season may forfeit from their region schedule the number of games exceeding the limit. forfeited game(s) may be subtracted from the region win/loss record of the offending school. For each extra game, one win may be subtracted from record and one loss may be added. Other sanctions may be taken by the Region II Board of Managers.

17. Duties of Region Chairpersons

A. Conduct all meetings pertinent to respective activity.

B. Coordinate and manage all Region II competitions and tournaments of respective activity.

C. Select and honor respective All-Region VI teams where applicable.

D. Be direct liaison to Region II Board of Managers.

E. Be responsible for all awards, trophies, medals, etc., pertinent to respective activity.

F. The all Region II teams should be selected by the coaches within two weeks of the conclusion of the activity where applicable.

18. Undue influence rule, violation

A. If there is clear evidence that a coach has violated Article 1, Section 9 of the UHSAA bylaws or interpretations he/she will appear before the Region II Board of Managers and may be under the direction of the UHSAA to receive any or all of the following for the first violation:
   (1) A letter of reprimand.
   (2) Suspension
   (3) Fine

B. If it is determined a coach has violated the undue influence rule a second time, the coach may be suspended a minimum of three contests or one-half of the remaining Region VI schedule (whichever is greater).

C. A third violation may mean suspension for the remainder of the current season
19. Penalties
Upon having knowledge of an infraction of a rule or policy Region II may initiate action in accordance with UHSAA policies,

21. Region Finances
Expenses for Region activities and competitions can be reimbursed from Region funds by submitting a copy of the reimbursement form. Receipts for expenditures should be included with the form. Forms should be signed by the Region II Chairman and submitted to Rob McDaniel or Lori Jacketta at Cyprus High School no later than 30 days from the end of the event.

CONTEST LIMITATIONS

A. Definitions:
   1. Contest: Any meet, game or competitive activity (including practices and scrimmages) in which one or more students participate, and at least one of whom is not a member of the student-body or the school sponsored program, counts toward the contest limitations listed below for that activity.
   2. Tournament: Competition among four or more schools.

B. The following contest limitations apply from the starting date of competition until the first day of the state tournament in each classification. This applies to all levels of competition (i.e., varsity, j.v., sophomore and freshmen). State qualifying tournaments do NOT count in the contest limitation totals for cross country, golf, swimming, tennis, track, wrestling, and speech/debate (see Charity and drill team exceptions below).
   2. Basketball: Varsity - 20 games if no region post-season tournament is held. 18 games if postseason tournament is held. One additional varsity contest is allowed for an approved endowment game but schools may not play alumni teams in a UHSAA endowment game. The above endowment policy does not apply to j.v., freshman and sophomore. All non-varsity may play a maximum of 20 total games. Each game played counts as one game. Each team is allowed to attend one tournament where they may play up to 4 games and count it as two contests toward the 20 game allotment. A tournament must be sanctioned as per UHSAA guideline and occur on consecutive days (excluding Sunday). If the tournament exceeds four games, any additional games would count “one for one” against contest limitations.
   3. Cross Country: 10 meets per individual. The UIAAA Cross Country Meet does not count toward the contest limitations.
   4. Drill Team: 3 competitions and a region competition (total of four). The live practicum does not count toward the contest limitations.
   5. Football: 9 games. One additional varsity contest is allowed for an approved endowment game but schools may not play alumni teams in a UHSAA endowment game. Each game played counts as one game.
   6. Golf: 14 meets
   7. Soccer: 16 games. Each game played counts as one game. Each team is allowed to attend one tournament where they may play up to three games and count it as two contests toward the contest limit. A tournament must be sanctioned as per UHSAA guidelines and occur on consecutive days (excluding Sunday). If the tournament exceeds three games, any additional games would count “one for one” against contest limitations.
   8. Softball: 22 games. Each game played counts as one game, except for the games played under the two tournament exemption rule which allows schools two tournaments, at least one must be a non-school single day tournament, where all games played count as a single game (a maximum of four games may be played) and one multi-day tournament, where all games played count as two games (a maximum of eight games may be played in a multiple day tournament). If the maximum number of games is exceeded, in either tournament, each additional game would count “one for one” against contest limitations.
   9. Swimming: 14 meets per individual.
   10. Tennis: 14 matches per individual. The number of matches counted for a tennis tournament (competition among four or more schools) shall be equal to the number of days scheduled for the
tournament; e.g., a one-day tournament shall count as one match, a two-day tournament shall count as two matches, etc.

11. Track: [2 meets per individual]. An individual may participate in no more than 6 qualifying meets in addition to the region meet in 5A and 6A and no more than eight state qualifying meets for 1A, 2A, 3A & 4A.

12. State Tournament 1st & 2nd Rounds: May 18 - 21, 2021 (home sites)
State Tournament: May 24 – 27, 2021 @ Utah Valley University
May 28 – 29, 2021 @ Utah Valley University

1) Each team (Varsity & J.V) will be allowed to play 25 games as per UHSAA rule.

2) All Region Varsity and J.V. Games played on the same day will begin at 3:30 p.m.

3) Each team will be allowed 15 minutes of warm-up and infield practice. All teams should stretch closest to their foul line. No circling up in center field.

4) All league games (Varsity & JV) will be played on the date and time scheduled, depending upon weather and field conditions. If a team is traveling to non-region tournament during region play and needs to reschedule a game(s), then it is the responsibility of both coaches to mutually agree on the dates for the rescheduled date, to be played before the next regularly scheduled region game, and then report that to the region chairman. The scheduling for this must be done before the beginning of the regular region season. Each postponed game must be made up in the order of the postponement. A postponed game will be made up on the first available date, including Saturday. During the first round of region play, a postponed game will be made up by “flip flopping” the schedule and playing at the visiting team’s field, if that field is playable and if district bus transportation is available. The visiting team will reverse the schedule for that game during the second round. In the event of bad weather, it will be the responsibility of the home team coach to notify the visiting school and the officials. This should take place by 12:00 p.m. It is the responsibility of both coaches to communicate with each other in the process of rescheduling games for the next available date.

5) Any game(s) not made up on the next available date will result in a forfeit for one or both teams, depending on the offending team(s). The Region Board of Managers (School Principals) and both coaches will be consulted to determine the offending team. No team will be made to play five (5) games in a week, unless they choose to do so. Four (4) games will be required, if necessary, as defined by the UHSAA (Sunday to Sunday) rule.

6) When a game is “called” because of darkness or weather, etc., in the first round, the game will be resumed as the preliminary scheduled game of the two teams in the second round, followed by the completion of the second round game. JV games that have to be bumped will be resumed on the next available date. The home field coach will be responsible for notifying all those involved: coaches, umpires, and principals.

7) The recommendation of the UHSAA on number of pitches per week will be followed.

8) A region trophy to the first placed team(s) in regular region play. No medals. Seeding for the state tournament will be based on how the league finishes in that order. In the event of a tie for seeding purposes, region tiebreaker rules will be in effect. Tied teams for the last seed in the state play-offs will be determined by the winner of the head to head series. In the event of a tie for the last playoff spot (split of 4 games series), the teams will have a play-in game at a neutral region site.

9) An all-region team will be selected on the last Saturday May 16th, 2021, before the state play-offs begin. Site to be determined by the Region II Baseball chairman. Coaches present will be allowed to select players for All-Region Teams.
Please refer to “General Policies” in the Region II Handbook for all other Region II rules and the UHSAA handbook or website for all UHSAA rules.

BOYS TENNIS GUIDELINES & SCHEDULES

Activity Chairman: David Beck, Granger High  Telephone: 385-646-5320
Rules Clinic (online only: uhsaa.org)
Start Date: February 24, 2020
Two Week Restriction: February 9 – 23, 2020
First Competition Date: March 2, 2020
Roster with Numbers on RegisterMyAthlete.com: March 13, 2020
Academic All-State Deadline: March 17 – April 16, 2020
Region Tournament: April 29, 30, 2020 @ West Jordan High
State Entry Deadline: May 10, 2020
State Tournament: May 14, & May 16, 2020 @ Liberty Park

REGION DUAL MATCH PLAY:

1) All Region Dual Matches will be played on the date scheduled; of course, this will depend upon weather and court conditions. Host coach will be responsible for contacting visiting coach by 1:30 p.m. if conditions are insufferable.

2) All region dual matches will begin at 3:30 p.m.; however, coaches may agree to begin at an earlier/later time depending upon the circumstances.

3) Each team is expected to have a Junior Varsity contingent. A school’s Junior Varsity contingent will travel with the school’s varsity team to the host school and play their matches on the day of the scheduled varsity matches. The coach of the visiting team will call the host coach in advance and ascertain the number of Junior Varsity matches to be played. Junior Varsity players will play at least a pro-set. (Home team decides on AD or No AD).

4) Varsity matches will consist of 2 out of 3 sets, 7-point tie-breaker for each set, regular scoring.

5) Both coaches at a dual match will provide a written line-up of players by positions to the opposing coach.

6) Players are limited to ten-minute warm-up; the warm-up does include practice serves.

7) A player who is slated to play, but who arrives late; i.e., during the ten-minute warm-up, may be inserted into his position; however, the player will not receive the allotted ten minutes to warm up. The tardy player will receive the balance of the team minutes to warm up. Tardy players will be penalized according to the rules beginning at 3:30 p.m. at dual meets. The only exception is if both coaches agree to a later time after being made aware of extenuating circumstances. This exception applies at Region if other players can be assigned to available courts for that round. If a player arrives after the match for which she was slated to play has begun, she will be defaulted.

8) The home team will furnish three high altitude balls for each varsity match; a three-set match will receive three new balls at the beginning of the third set.

9) A coach may move a singles player to doubles and vice-versa; however, the players must be ranked according to ability in both singles and doubles and having the best player in singles play #1 singles position and the best doubles team play #1 double.

10) Coaching on change overs can only be part of the 90 seconds allowed. Coaching is allowed for only two minutes between sets; however, during the first and second set, players may not leave the court. Between the second and third sets, the players have ten minutes, and players may leave the court. (Players are allowed to leave the court for bathroom break within a reasonable time)

REGION TOURNAMENT PLAY:

1) To qualify for the Region Tournament a player must have played at least five dual region matches. If extenuating circumstances preclude this from happening, then a majority of the coaches would have to agree on any exceptions at the pre-region tournament seeding meeting.

2) Seeding of the Region Tournament will be conducted by the region head coaches prior to the Region Tournament. Seeds will be based on Region dual matches results at a particular position. The most recent rankings by the Utah Tennis Association may be used as a secondary source for seeding. Matches start at 8:00 a.m. the first day and the last day will start at 8:00 am. Must have a minimum of two referees/U.T.A. 268-0505.

3) Stacking is not permissible and could result in UHSAA sanctions. In an effort to promote fair play and wholesome team competition thereby fostering a healthy educational environment, the Utah High School Activities Association offers the following guidelines in regards to stacking:
   a. Legitimate and ethical “placing of players”. Any lineup which places a better skilled player above a lesser skilled player or a better skilled doubles team above a lesser skilled doubles team is legal.
   b. Legitimate lineups according to skill ability: Skill ability shall be defined as the number one singles player shall be better than the number two singles player who shall be better than the number three singles player. The number one doubles team shall be better than the number two doubles team.

   Coaches should enter players at the positions which their skill dictates. Juggling or shuffling the positions to gain an advantage is unsportsmanlike and creates an unhealthy educational environment. In the event of an injury during any course of the season the next best player would move up to fill the spot vacated by the injured player. (USHAA Yearbook pg. 50)

4) The first round of the Regional Tournament will be a single elimination round.

5) The region championship tournament trophy will be awarded to the team which has accrued the highest point total based upon the following schedule:

   A. Region Tournament where 4 qualify for State:
      1. 1st place 4 points
      2. 2nd place 3 points
      3. 3rd place 2 points
      4. 4th place 1 point.

   B. Medals will be awarded to individual places 1-4.

6) No more than sixteen (16) matches will be played by team players during the course of the UHSAA tennis season. This restriction does not apply to those matches played either at the Region, Divisional, or State Tournaments. To qualify for state a player must have played 5 of those Varsity matches at the particular position.

7) All Players in Region Tournament shall wear a team uniform shirt. Doubles partners must match.

JUNIOR VARSITY REGION TOURNAMENT PLAY:

1) 2 day – an entry for each position, 3 singles & 2 doubles.

2) Pro-sets until final – 2 out of 3 sets regular scoring.

3) Seeds will be based on season position record.

DIVISIONAL TOURNAMENT PLAY:

The Region tournament standings will determine the seeding for the Divisional tournament.
