

### Utilizing MaxPreps: Scores Required for UHSAA RPI

The UHSAA is partnered with MaxPreps to provide the UHSAA with the RPI, postseason brackets, scoreboards on UHSAA.org, stat leaderboards, team photos and more. All scores/results entered on MaxPreps display on UHSAA.org, MaxPreps.com and in the UHSAA Mobile app to power the RPI. Stats can be sent immediately to local media outlets using MaxPreps' [Send Stats](#) feature.

Please review and update your schedules at this time on MaxPreps.com. You can return to MaxPreps to submit box score information after each game and edit your roster or schedule.

#### **What is my responsibility?**

1. [Create a MaxPreps account here](#) if you do not have one yet to get access to your team
2. Make sure your schedule is accurate before the start of the season
3. Input your roster before your first game of the season
4. **Enter scores/stats after each game** on MaxPreps.com or in [Teams by MaxPreps app](#).

5. [Submit your varsity team photo in MaxPreps](#) to appear in the UHSAA Tournament Program
6. Keep your schedule, stats & roster updated on MaxPreps.com throughout the season

Coaches should download the Teams by MaxPreps app to update scores on their phone immediately after games. Coaches can also manage their schedule, roster, team photos and communicate with their staff and athletes in the app. The free app can be downloaded from the [iTunes app store](#) and the [Google Play store](#). Coaches can also designate a team statistician on MaxPreps to report scores/stats if they choose.
