Team Packets and Check-in

Team packets will be available at the team check-in table set up in the northeast entry way of the Davis High Stadium (see map). Packets will include the number of tickets for athletes entered in the meet only, with five wristbands that can be used for student-athletes who are alternates. The ticket colors for student-athlete entrance will be listed in the Coaches' Packets. Coaches will be admitted with their UHSAA-issued credential through the athletes' entrance located on the fence on the north side of the track facility. Students who have not qualified to compete in the meet, or who are not alternates, should not attend the meet with the team and will not have wristbands in the team packet.

Tickets

UHSAA passes will also be honored at the main spectator entrance on the West side of the facility. A pass may only be used one time per day.

COVID-19 Risk Mitigation Protocols

All spectators at Davis High School will be required to wear face coverings and will be encouraged to physically distance where possible. Competitors in team areas and who are not actively in competition will be expected to be wearing face coverings.

Parking

Parking at Davis High School will be limited to start the day on both Tuesday and Wednesday, until school is released. Please view all parking options on the attached parking map.

Concessions Information

Davis High School will be running concessions throughout the event, with local food trucks also taking part. Additionally, the UHSAA's apparel provider – ShirtStop – will be selling on-site during the event.

Team Camp Area

Team Camp Area is marked in Red on the master map for the event. Teams must remain in this area unless they are competing. There will be NO teams allowed inside the gated area or on the baseball field.

Athlete Event Check-in

All contestants shall check-in at the bull pen for their events upon the first call for that event. Bullpens are marked on the Site Map. Contestants need not remain at the bull pen after check-in. Contestants shall report and remain at the bull pen on the **third call** for their event(s). Only contestants and meet officials are allowed in the bull pen. Coaches, parents, non-contestants, etc. are not allowed in the bull pen. Contestants will be required to remain in the bull pen once they report. Competitors will be escorted from the bull pen to their events. The only access to competition areas will be through the bull pen. If a competitor in a field event needs to be excused to compete in a running event, permission from the field event judge must be obtained. A competitor thus excused must return in a reasonable time. The games committee may impose time limits for return. It is recommended that competitors in conflicting field and running events use a proxy to check in at the bull pen and obtain hip numbers. When it is time to run, the competitor must still get permission from the field event judge to leave the field event competition and compete in the running event.

Schedule Change Procedure

Lightning or weather conditions that present a danger to athletes and spectators may necessitate changes to the posted schedule. Changes may include, but are not limited to, delaying or moving events to the following day, moving events ahead of schedule, and/or eliminating trials and running timed finals in lane races. The length of the weather delay and where it occurs in the schedule would dictate the necessary changes. It is important that coaches and athletes are prepared for all potential changes.

Pole Vault

The pole vault will be a team scoring event in the 6A classification only. The boys' 1A, 2A, 3A, 4A pole vault events will be held simultaneously. 5A and 6A will be held separately. The girls' will follow the same procedure. In both boys' and girls' pole vault events, places will be determined and awarded for each classification even though the competition may be held together. One UHSAA certified coach per team will be allowed in the pole vault area during warm-ups only. Coaches will be asked to leave immediately following warm-ups and before competition starts.

Bus Parking and Team Drop Off

Busses will exit Main Street onto 550 South at the traffic light and Proceed around Mountain High School where they will turn left onto 300 South to the Backside of Davis High School.
