February 19 at Corner Canyon High School Tournament Information

Please wear a mask at all times

The Utah High School Activities Association and Mountain America Credit Union are proud to present the State Wrestling Championships at the Sevier Valley Center on the campus of Snow College South in Richfield. Be sure to read all of the information so as not to be disappointed or surprised on the day of the tournament. **Please be sure to inform your wrestlers, parents WE ARE GUESTS OF THE SVC and appreciate their efforts in allowing the students to wrestle. This is not the place to make a personal or political statement. We are here for your children. Please read the following:**

Masks

Masks are required at all times in the venue. All parents, officials, coaches, and wrestlers must wear a mask. Wrestlers may remove their mask in the coach's corner before wrestling. Once the match is completed, wrestlers need to put the mask back on. For more information, please refer to Winter Return To Play Wrestling Protocols on the UHSAA Website:

<https://www.uhsaa.org/sportsmedicine/UHSAA%20Return%20to%20Play%20Document%20Winter%20Sport-by-Sport%20USSA%20UHSAA%20Plan.pdf>

Each school's Principal, or designee is responsible to ensure parents, coaches, and wrestlers adhere to the mask protocols.

Entries from the Division Tournaments

State qualifiers from Division Tournaments are to be entered in the State Tournament by the directors of those tournaments. Entries MUST be submitted by midnight the last day of the qualifying tournament. **First and last names must be included as well as year in school, last year's state place and this season's varsity record. This information must be provided by coaches when they enter wrestlers in the Division Tournament.** Wrestlers will be entered in the state tournament by the Division Tournament director.

Division Responsibility to Check Compliance with Weight Management Rules

The OPC Alpha-Master sheets and individual weight-loss plans must be checked carefully at the Division Tournaments to ensure that each wrestler is competing at a legal weight. Wrestlers who qualify from division at a weight class for which they are not eligible to compete will be disqualified from the State Tournament and divisions and schools will be subject to penalty. Schools/coaches attempting to enter a wrestler in a weight class for which they are not eligible will be subject to discipline as well. Please work to avoid problems with this that could occur after division by carefully checking each wrestler prior to the division tournament.

Division Responsibility for Checking Physician Clearance on Low Body Fat Wrestlers

Wrestlers who require physician's clearance for low body fat should have their clearance recorded on the Alpha-Master prior to competing. Clearance forms should have been submitted to the UHSAA by fax at (801)566-0633, by email, or by regular mail. **Coaches, please check the Alpha-Master** to assure that those who need clearance have it and that it is recorded on the Alpha-Master prior to the division seeding meeting to avoid problems. Wrestlers must have at least one legal weigh-in after a legal body fat test and prior to weighing in for any post-season tournament. The weigh-in for a post-season tournament does not fulfill this requirement.

Admission Prices

Full Single Day \$10.00
